

ENVIRONMENT

Know your asthma triggers and be aware of your surroundings.

MEDICATION

Talk to your medical provider — be sure you have the medication you need and know how to take it.

Learn how to take charge of your asthma with EMPOWER — seven keys to caring for yourself and living an active, healthy life. Check out the tracks at the QR code below.

PLAN

Create a plan to manage your asthma so that you're prepared for different situations.

OPEN COMMUNICATIONS

Share what's going on with your family and friends so they can support you.

WELLBEING

Stay active, eat healthy and take care of your mental, emotional and physical health.

EMPOWER yourself!
